

KINDLET™

AKM-200-TRH £6,495
Automatic Kindling Machine – External Hydraulics
Min Flow = 15ltr/min. Min Pressure = 180 bar.
Supplied with ½” male quick release couplings
12 volt DC supply also required
Supplied with 1 Metre output bagging chute
Supplied with 6 metre cable connection directly onto 12 volt DC battery

AKM-200-E240 £6,845
Automatic Kindling Machine – 240 volt single phase, 16 amp
Integral 240 volt double pump hydraulic power pack.
Supplied with 6 metre armour cable and IP44 2P+E straight plug 16A (3 Pins)
Supplied with 1 metre output bagging chute

AKM-200-E415 £6,,845
Automatic Kindling Machine – 415 volt 3 phase, 16 amp
Integral 415 volt double pump hydraulic power pack.
Supplied with 6 metre armour cable and IP44 3P+E straight plug 16A (4 Pins)
Supplied with 1 metre output bagging chute

KINDLET™ Bagging Systems

ROTABAGGA™-AKM-200 -Rotary Bagging system. (Holds 3 nets) £895
MANUAL BAGGA™-AKM-200 - Long Chute bagging system £895

KINDLING MACHINE PRICELIST – JAN 2011

KINDLET™ PRO

AKMPRO-250-TRH £8,595
Automatic Kindling Machine - External Hydraulics.
Min Flow = 24 ltr/min. Min Pressure = 180 bar.
Supplied with ½” male quick release coupling (flow) ¾” male quick release coupling (return).
12 Volt DC supply also required.
Supplied with either, 15cm (6”), 20cm (8”), 25cm (10”) or 29cm (11.5”) length Kindling Kit.
Standard 1 metre output bagging chute.
Supplied with 6 metre cable for connection directly onto 12 volt dc battery.

AKMPRO-250-TR £9,495
Automatic Kindling Machine - Tractor PTO.
Min Power 15hp.
12 Volt DC supply also required.
Supplied with either 15cm (6”), 20cm (8”), 25cm (10”) or 29cm (11.5”) length Kindling Kit. (Oil Cooler fitted)
Standard 1 metre output bagging chute.
Supplied with 7 metre cable for connection directly onto 12 volt dc battery.

AKMPRO-250-E7,5 £9,745
Automatic Kindling Machine - 3 Phase Electric.
415 Volt 3 Phase 7.5kW Electric Motor.
Supplied with either 15cm (6”), 20cm (8”), 25cm (10”) or 29cm (11.5”) length Kindling Kit. (Oil Cooler fitted)
Standard 1 metre output bagging chute.
Supplied with 6 metre armour cable and IP44 3PN+E straight plug 32A (5 Pins).

Options

ROTABAGGA™ Pro - Rotary Bagging system. (Holds 3 nets). £895
MANUAL BAGGA™ Pro - Long Chute bagging system £1,195

Kindling length Spacer Kits

£295
15cm (6”)
20cm (8”)
25cm (10”)
29cm (11.5”)

SPLITTA™

ASM-350-TRH £8,995
Automatic Splitting & Kindling Machine supplied with 20cm (8”) logs or kindling length Kit- External Hydraulics.
Supplied with 8” (20cm)
Min Flow = 30 ltr/min. Min Pressure = 150 bar.
Max Flow = 45 ltr/min. Max Pressure = 200 bar.
Supplied with ½” male quick release coupling (flow) ¾” male quick release coupling (return).
Standard 1 metre output bagging chute.

Options

Tractor PTO Hydraulic Power Pack £1,995
– 3 Point linkage 45ltr/min, 180 bar
Electric 415 volt 9.2Kw Hydraulic Power Pack £2,865
– 39ltr/min, 180 bar
Supplied with switch gear and 6 metre armour cable and IP44 3P+NE straight plug (5 pins)

MANUAL BAGGA™-ASM - Long Chute bagging system £1,065
Infeed Conveya™-ASM – 2.5m infeed conveyor for splits or rings £2,865
